

Islip, NY – Islip Town Councilman Steve Flotteron recently took time out of his schedule to show students from Bay Shore Middle School around town hall as part of an after-school activities program.

The students were shown the entire Town Hall, including Councilman Flotteron's office, Town Supervisor Phil Nolan's office, and the Town Board meeting room.

Pictured (left to right) are Councilman Flotteron; Ashley Anderson, student; Myles Singer, student; and Kijafa Woods, tour chaperone from the YES program.
